

Organic Argentinian Pears

Awe Sum Organics Pears come from the Rio Negro Valley in the Patagonia region of southern Argentina. The special climate and soil found here are perfect for growing pears that are sweet, fragrant, juicy, and flavorful. Awe Sum Organics is partnered with PAI, a leading exporter of organic fruit in Argentina, who has been growing their pears organically since the 1990's.

Varieties

Organic Green Bartlett, Organic Red Bartlett, Organic Abate Fetel, Organic D'Anjou, Organic Autumn Bartlett, Organic Bosc and Organic Forelle.
